hand corner of our response. On March 22, 1999 we did a status check of this particular application because we had not received a communication from the Patent and Trademark Office acknowledging receipt of our response of October 19, 1998. Our Legal Assistant, Angie Beyerl, immediately telephoned Examiner David Purol and explained the situation. The conversation resulted in the agreed decision to fax our response of October 19, 1998. Upon receipt of the Notice of Abandonment, Ms. Beyerl immediately telephoned the Examiner only to find that he had not received either the original election or our fax letter.

→ A response to the Office Action of September 21, 1998 was timely mailed to the Patent and Trademark Office. Consequently there was no abandonment.

It is respectfully requested that the above-identified application be reinstated and that the Notice of Abandonment be withdrawn.

Respectfully submitted,
